COMMENTS ON STATEMENT OF REASONS FOR ALLOWANCE

Sir:

Applicants are in receipt of a Notice of Allowance dated March 15, 2006 in the above-referenced application. The issue fee is due on July 15, 2006, and is being paid concurrently herewith.

Applicant respectfully traverses the Reasons for Allowance set forth in the Notice of Allowability on the grounds that contrary to the Reasons, each of the independent claims do not necessarily recite "changing the address of the function loaded to the address of a function for log acquisition and selecting the function, wherein the function for log acquisition comprises the steps of: calling the function the log of which is to be acquired to cause a predetermined process to be executed, receiving the result of the execution, and passing said result to said program, recording given information when calling the address of the selected function, and recording given information when receiving the result of the execution of the selected function".

Applicant's undersigned attorney may be reached in our Costa Mesa, California office at (714) 540-8700. All correspondence should continue to be directed to our below-listed address.

Respectfully submitted,
